

# Where in the world is...?

There are **2** tasks to choose from at this table.

## 1. Test your Map Skills!

Individually or with a partner/s try to answer as many questions as possible (Write them on a separate piece of paper) without looking at the map. Then check your work. Did you get the same answers as your neighbors?

## 2. Countries of South America

Using a separate sheet of paper, individually or with a partner/s try to fill in as many blanks as possible without looking at the map. Then check your work.
